## *In Memoriam*

The members of The Memorial Concert Band of Colonie dedicate tonight's performance to "a giant" in the national community band effort, L. Edward Ballenger.

Ballenger passed away on Saturday, October 4, in Jeffersonville, Ind., after a courageous battle with cancer.

He unselfishly and generously provided community bands throughout the U.S., including The Memorial Concert Band of Colonie, with videos and tapes of their events in addition to out-of-print "historic" band music from his own personal library at no cost to interested bands, upon request.

The Memorial Concert Band of Colonie thanks him profusely, not only for his dedication and generosity to the community band effort nationwide, but also for his assistance in forwarding its mission, and extends its deepest condolences to his wife of 51 years and the rest of his family.
